Dear,Mr Raed.

1&3, We are sorry. We exhibited all the cartoons which I could receive on Internet. Therefore, it is highly possible that some cartoonist data has not arrived due to **Internet problems**. Although **some**

cartoonists didn't adhere dead-lines and rules

.
we exhibited their works. We did not intentionally exclude.
2, **Sorry, the photos are not so clear at the gallery**. After placing the whole picture, we will publish Individual cartoonist's work on Facebook.
If you can, **please send me the cartoonists works which we couldn't receive**, we will includes Facebook gallery.

This project is done with a small number of individuals, so we think there are places that will not lead. But we will answer the request as much as possible.

Best regards, Yoshiaki Yokota
